

1/5 INCERTEZZA

Veneto bianco IGT

The conversion years

Classification - Veneto bianco IGT

- **Alcohol gradation:** 13%

Grapes and vineyard

- **Grapes:** Manzoni bianco
- **Growth system:** Sylvoz
- **Grape Harvest:** by hand

Vinification and Aging

- **Vinification:** soft cold crushing and pressing
- **Aging:** blend of different vintages -'12,'13,'14,'15-, aged in concrete tank

Golden yellow wine. The nose express its complexity, with intense aromas of mature mango and hydrocarbons, followed by floral notes of chamomile. Full-bodied, warm and silky in the mouth, with a long and velvety finish.

Classic Venetian “Sarde in saor” (sardine fillets marinated in softly cooked white onions) paring is a must try, but it match well with gorgonzola cheese too.

Available sizes

0,75 l
